The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 30th June, 2015, and its profit and its cash flows for the year ended on that date.

- i) The financial statements are prepared under the historical cost convention in accordance with the normally accepted accounting principles in India (Indian GAAP) and the provisions of the Companies Act, 2013 as adopted consistently by the Company.
- ii) The Company generally follows mercantile system of accounting and recognizes significant items of Income and Expenditure on accrual basis.

b) Use of Estimates

The preparation of financial statements in conformity with the Indian GAAP requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognized in the period in which the results are known/materialized.

c) Fixed Assets and Depreciation

- i) Fixed assets are stated at cost less accumulated depreciation, and impairment loss if any.
- ii) Depreciation is provided on the straight line method as per useful life and in the manner as prescribed in Schedule II of the Companies Act, 2013.

d) Impairment of Assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is reversed if there has been an increase in the estimate of recoverable amount.

e) Standing Crop and their Amortization

- i) Development and other expenses in respect of plantation are carried forward as plantation - standing crops and will be amortized on estimated yield basis to the Statement of Profit and Loss in the year in which crops yield revenue.

The accumulated amount is amortized on estimated yield basis over the period of yields to the Statement of Profit and Loss in which crops yield revenue. Expenditure incurred after growth period will be charged to Statement of Profit and Loss.

f) Investments

Current investments are carried at the lower of cost and quoted / fair value, computed category wise. Non-Current Investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary in the opinion of the management.

g) Inventories

The inventories are valued at lower of cost or net realisable value after providing for obsolescence, if any.

h) Income Taxes

Provision for current Income Tax is made on the taxable income under the Income Tax Act, 1961. Material amount of deferred tax arising on account of "timing difference" between taxable income and accounting income and which are capable of reversal in one or more subsequent periods, is recognised using the tax rates and tax laws that are enacted or substantively enacted. Deferred tax assets is recognised only to the extent there is reasonable certainty with respect to reversal of the same in future years as a matter of prudence.

i) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.
